By the steampunk-like nature of the technology and city infrastructure, one would guess the separation occurred just before the industrial revolution. Something significant has occurred along the way, for sure.

Sendusanewimage.Itwilltakenothingshortofpuremagictosave. As I start to gather the answers to these questions, I learn a lot about the character, meet other central figures, and the story naturally builds forwards, backwards and all around that first event. There are no discussion topics on this book. Previews begin April 2.
