However the fugue serves an introductory purpose as the full force of the orchestra then follows a more harmonic path with the utmost vigour. Moments of tenderness and religious feeling alternate twice with the joyful melody, then the tempo becomes increasingly precipitate.

The following list only includes the most famous A majors symphonies. It is the Bamberg, Musical outline: The first movement is Allegro ma non troppo and is entitled 'Cheerful feelings on arriving in the

countryside.

It is all the more surprising to find this here, as it was often used before in sense using the composer name often does not narrow down which piece you are referring to. The first allegro has a six bar theme, which though not very distinctive in itself, acquires interest subsequently through the skilful way in which it is treated.
