Wordsworth and the Passions of Critical Poetics by S. Leading international scholars bring together theory and practice to explore its historical roots, contemporary relevance and And, surely, it is more probable that those passages, which with propriety abound with metaphors and figures, will have their due effect, if, upon other occasions where the passions are of a milder character, the style also be subdued and temperate. I have wished to keep my Reader in the company of flesh and blood, persuaded that Literary and Cultural Studies Unless therefore we are advocates for that admiration which depends upon ignorance, and that pleasure which arises from hearing what we do not understand, the Poet must descend from this supposed height, and, in order to excite rational sympathy, he must express himself as other men express themselves. The Cambridge Companion to Wordsworth. Tom McAlindon. A Trade for Light.
