But then she meets Ryan, who turns here world upsi I received a free copy of element in exchange for a honest review. The plot is simple to follow and is suitable to mostly young adult. Immediately her body starts going through physical changes but when she runs into her former high school crush, Ryan Garrett, she is unaware of the life altering affects Element will have on .

Element was not one of those books. The reader is simply told everything with the And I liked that all of the elements of the story seemed to progress naturally and didn't seem forced or awkward at all. It was very basic. I also found the language painfully repetitive and sometimes just not thought . It seems like those ebook freebies are hit or miss. The Bronze Knight. I just finished the book
